## Volunteer Opportunities at Camp Silver Lake

Therapy Connections is looking for individuals who are interested in working with children with special needs in an outdoor camp setting. The focus of the camp is to provide all children with a positive day camp experience. Camp Silver Lake provides children with structured activities to meet their individual needs for movement, creativity and various sensory experiences. Group activities foster socialization and friendships with others.

This is Camp Silver Lake's tenth year. Teen Camp Silver Lake is in the fourth year. Both camps continue to grow. There is a high return rate for both campers and staff. We are in need of volunteers to make each camp a success.

There are opportunities to volunteers at Camp Silver Lake. Volunteers will be assigned to a small group of campers. Each group will have an experienced group leader, an assistant and volunteers. Volunteers will assist the campers in participating in a variety of outdoor activities including swimming, paddle boats, fishing, group games and campfires. This is an excellent opportunity to learn more about career options in the area of education and allied health professions while providing service to the community. Browse our website at [www.TherapyConnections.net](http://www.TherapyConnections.net) to see pictures from past camp weeks.

Come for the fun! What a great way to learn in the beautiful setting of Silver Lake. Please call 937-427-1919 if you have any questions. Please mail the bottom portion to: Therapy Connections
